

OXFORD LEARNING PRESCHOOL PROGRAM

THREE-YEAR-OLDS CAN READ!

The years between the ages of three and six are a period of significant growth in a child's life. Children's minds are alive with curiosity. They have an energetic fire to know and understand their world. Oxford Learning's Preschool helps to keep those flames burning.

MORE THAN PRESCHOOL | ENRICHED LEARNING IN A FUN ENVIRONMENT

Children 3 to 6 enjoy a balance of play, exploration, and discovery in a structured environment that enhances cognitive skill development. A warm, caring environment in a small classroom setting, individual programs that allow children to progress at their own pace.

WHY OXFORD LEARNING PRESCHOOL?

- Unique phonics-based program
- Ages 3 to 6
- Flexible full-day & half-day schedule
- Small class size
- Fun, excitement, and learning!
- Our proven techniques will help your child read!

Little Readers is the only program that employs cognitive skill development (the basis for all learning) along with an enriched academic curriculum to help children learn to read before they head off to school. Research proves that children who develop strong reading skills early in life learn better, are less likely to fall behind, and are more successful students. Oxford Learning's early learning program will give your little one the strong foundation needed for school success.

- Strong reading and writing skills
- Introduction to math and computers
- Fine motor development
- Social development through group work
- Confidence and a lifelong love of learning

A STRONG FOUNDATION

The results of over 20 years of dedicated research into how young minds learn and grow allow us to introduce new learning activities at the exact time when children are the most receptive to them. Oxford Learning's Preschool lays the foundation for a lifelong love of learning.

YOUNG MINDS AT WORK | SELF-ESTEEM + FUN + LEARNING = REAL RESULTS
