20-hour Study Skills

Designed to introduce students to the study skills they will need in high school, college, and university, this 20-hour program introduces students to goal setting, time management, organization, taking notes, study strategies, and project planning in a small group setting of no more than 10 students.

Dates | Tuesdays July 6 - August 24
Time | 6:00 - 8:30 PM
Cost | \$550/student

All classes must have a minimum of 3 students to run.

Research & Essay Writing Skills

This program helps prepare high school and university students for one of the most challenging parts of university: writing a research essay. From the beginning research to understanding citation guidelines, to planning, writing and editing your essay, this course will help you learn everything you need to know about how to ace these challenging papers.

Dates | Thursdays July 8 - August 26
Time | 6:00 - 8:30 PM
Cost | \$550/student

Summer Intensive 30 Hour Math, Reading or Writing Program

This program will build skills in specific subjects, review last year's work, or preview a subject for next year. Students will head to school next year confident in the subject that has always been a challenge. Classes for grades 4 - 12 will be 15 2-hour classes or 10 3-hour classes. Schedules built around student availability.

Dates | Built around student availability
Cost | \$1350/student

High School Preparedness Program

This program was created for grade 8 students who want to get the most out of their high school experience. Students will focus on study skills, organization, and teamwork success. By getting to know themselves and their interaction style in order to succeed at school, students will enter fall classes empowered and knowledgeable about learning.

Dates | August 23 - 27
Time | 10:00 AM - 12:00 PM
Cost | \$295/student

French Early Years Preparedness Program

Preparez-vous! Come review the basics and get ready for a year of success in French. Our Early Years French Preparedness class will help to review and solidify the important concepts of alphabet awareness, basic numeracy, fine motor skills and common vocabulary through circle time, songs, games and Oxford Learning curriculum work. Send your French Immersion student into the new year with confidence!

Dates | Mondays & Wednesdays July 5 - August 30
Time | 1:00 - 3:30 PM
Cost | **8 classes** - \$42/class = \$336/student
16 classes - \$40/class = \$640/student
