Summer Success

In four simple steps

STEP 1

Schedule an assessment

Call today to schedule an assessment. This standardized assessment tells you how your child thinks and learns. All families will have a summer goal planning session before the first day of camp!

STEP 2

Select your schedule

Choosing your summer schedule is easy! Give us a call to choose the weeks that you would like to attend. We are flexible and can organize sessions around your summer plans!

STEP 3

Plan your goals

Students will have personalized, unique camp experiences. Families will meet to discuss individualized goals for the summer and put a clear, achievable, measurable plan in place to achieve these goals!

STEP 4

Have Fun!

A safe, fun, nurturing environment for your children. We will be enjoying exciting new activities, making friends, spending time outdoors all while learning along the way!
