Summer Reading Camp

Ages 3 to 6

The Summer Reading Camp at Oxford Learning encourages both creativity and academic excellence.

Phonics—the best way to learn to read for young students! Students in the Little Readers Summer Camp use rhyme, games, puzzles, computer and drills, to help your child learn to blend sounds into words. It's amazing what kids can read with the right skills.

A Gateway to a Bright Future! In small groups with enriched individualized programs, children learn, grow and explore language. Once children master the skills of decoding by phonics, they're off into a world of books.

Ingrained in the Oxford Learning Summer Reading Camp is an approach that also teaches your child more efficient ways to think and learn for lifelong education success!

Summer Reading Camp is also an excellent introduction to Oxford Learning's year-round Little Reader's Program (Ages 3 to 6) or Beyond Tutoring Program (Grades 1 to 8).

Give your 3 to 6 year old a solid foundation and an important head start. Enrol your child in Oxford Learning Summer Reading Camp!
