Skills and Self-Confidence

Individualized Summer Learning programs at Oxford Learning – effective support to any student. Remedy learning losses resulting from the upset of the pandemic. Build new skills and self-confidence!

The 2022 Ontario EQAO report tells the worrisome story: students at all levels fell back during the months of upset the pandemic brought to Ontario education. Every child was affected.

Our Summer Learning programs offer a professionally designed, individualized program delivered by caring, qualified teachers for elementary children and high school students. Oxford Learning teachers truly support and build academic skills and self-confidence among our young people.

Oxford Learning is engaging and fun! Summer Learning prepares your child for September feeling better about learning... and better about themselves.

Get Started

For every Summer Learning student:

First: Assessment by an Oxford Learning specialist.

Second: Individualized plan reviewed with parents.

Third: A qualified, caring teacher will be introduced, and a study schedule routine agreed upon. Teaching and learning work can begin.
