

The background of the poster is a light beige color. It features several large, stylized illustrations: a large orange and yellow sun in the top left, a green palm tree in the top right, a pink flower in the middle left, an orange flower in the middle right, a green leafy plant in the bottom left, and a yellow flower in the bottom right. At the bottom, there is a blue wavy line representing water.

# Summer 2025 Reading Challenge:

We want to see all the places we can go to when we read books. All of those adventures that are discovered by reading teach us about the world and the power of imagination.

We will build a chain in the centre where we want to see just how far we can go. We have set a goal of reading 100 books by the end of summer! Will you help us achieve this goal?

There are prizes up for grabs for participating each month! Each book read will give you a ballot to win a prize.

Want more ballots? Write a book report or book review (depending on your age/grade) and get 5 MORE BALLOTS! Play book BINGO etc.

We have templates at the center for you to use and hand in. Ask a teacher or Sarah and Jessica for more information.

We hope to keep all the filled-out templates and put them in a binder for everyone to see and maybe get ideas for a new book to read. Your review could also lead someone else on a magical journey.

Read a book. Write the name of the book on one of our balloon shapes and have a teacher or staff member put it on the wall. We may ask you a few questions to see if you have actually read the book;) It's that easy - Happy Reading!
