

# Oxford Learning Saskatoon Centre Newsletter

November 2025

## Centre News

**Winter is coming!** We've had a good fall, but here we are with snow on the ground. From this point there is always a possibility of winter storms, but we **don't follow the same closure rules as the schools**. You will be emailed and texted regarding any possible closures.

**Holiday information is coming!** We will be closed December 24-28, and December 31 & January 1. **We are open December 28-30 and on January 2.** Please let us know if your child will not be attending their classes over the winter holidays by the end November. We schedule make up classes throughout December and into January.

## Dates to remember

**November 11** – **Closed** for Remembrance Day.

**November 16** - Look for us at the **Santa Claus Parade**! Wave and let us know you're there.

## Happy Birthday!

**Labin – November 8**

## How do students move up?

Every class, we are monitoring and charting your child's progress. **We look for mastery** of each concept before we move on or skip ahead. Mastery doesn't just mean doing well; it means the student can be relied on to complete the work exactly as directed, to near-perfect scores every time. **When this happens 4-6 times consecutively, we move them up!**

## How is your child doing?

At Oxford Learning, **we make a special effort to reach out to our students' teachers when parents request it**. Did you also know that we are able to help you navigate teacher conferences, if you would like to have us there as part of your team? Please make this request by email in advance.

Curious how your child is doing? **We try to send our student reports every 12 classes** with an invitation to meet regarding progress. Please **schedule your LPR meetings using [this link](#)**.

## Business Considerations

*As a small business, it is vital that all invoices are paid promptly on the 1<sup>st</sup> of the month. Whenever possible, please consider paying by e-transfer directly to [emysko@oxfordlearning.com](mailto:emysko@oxfordlearning.com) to help us reduce our ever-increasing bank fees.*

**OXFORD** LEARNING Since 1984
