

Brain Boosting Summer Camps

at Oxford Learning Orléans!

15-Hour Intensive Course

- This course runs Monday to Friday: 9:00 AM – 12:00 PM (15 hours total).
- It may be scheduled during any one week in July or August and must be completed within the same week.
- Minimum of 4 students and a maximum of 9.
- \$425 per course.
- Subjects offered: French, math, phonics & reading, essay writing, study skills (additional \$50 for the book)

French & Crafts - July 6 - 10 (Gr. 1 - 12)

Learn French Through art!

In this camp, students will explore various artistic mediums such as clay, painting, and beading while practising French communication skills.

Half of each day will focus on French language activities, while the other half will be dedicated to creating crafts, all conducted in French.

- Minimum: 3 students
- Maximum: 8 students
- \$425/program

Math with Block Builders - July 13 - 17 (Gr. 3 - 12)

Block Building Camp is a hands-on program where students learn to design and build Block structures using basic mathematical formulas and problem-solving skills. Campers will explore balance, measurement, and structure while bringing their ideas to life through creative building. Students will also experiment with Block robotics, combining creativity, engineering, and play in a fun, engaging environment.

- Minimum: 3 students
- Maximum: 8 students
- \$425/program

Phonics & Reading with Capes & Crowns - July 27 - 31 (JK - Gr. 4)

In this camp, young and early readers will strengthen their phonics skills through play, creativity, and imagination. Students will be transported into an imaginative world where reading and learning sounds is fun and engaging. Campers will also write their own story, which will be turned into a book complete with their illustrations. Capes, crowns, wands, and toy swords are encouraged!

- Minimum: 3 students
- Maximum: 8 students
- \$425/program
