

Grade 8 - 12 Elevate Skills High School Programs

Don't let the summer slide set you back. Our Elevate Skills High School Programs run from **June 30 to August 27**, helping students in **Grades 8 to 12** build academic confidence and prepare for a successful upcoming school year. Each new student begins with a **complimentary academic test** on English and/or math, and all sessions are delivered in small groups with a **maximum of 12 students per teacher**, ensuring personalized support and significant progress.

Ideal for Grade 8 students, these programs support the transition to high school by reinforcing essential skills.

At \$30 per hour, these Elevate programs provide high school students with the academic boost they need to enter the next school year with confidence and momentum.

Program Details:

Elevate Literacy & Study Skills Program Tuesdays & Thursdays, 9:30 AM – 12:00 PM

Build strong writing skills to produce clear, well-organized, and effective essays. Students will also develop essential study strategies, including note-taking, time management, organization, test preparation techniques, and active listening to support success across all subjects.

Elevate Math and/or Science & Study Skills Program Tuesdays & Thursdays, 12:30 pm – 3:00 pm

Strengthen math and science skills in a focused, small-group setting. Based on academic assessment results, this program helps students catch up, get ahead, or reinforce key concepts. Through structured lessons and guided practice, students build confidence and develop a strong foundation for high school success, including key topics in Chemistry, Biology, Physics, and advanced math.

Cost: \$75 per 2.5-hour session

Must be able to attend a minimum of 8 sessions per program
